## Objective

The huge variety of free-access digital resources that have become available in recent years now make them indispensable both to those who depend on free-access resources and those with access to commercial legal resources.

This seminar will provide you with comprehensive legal research techniques predominately using AustLII, Australia's largest free-access provider of online Australasian legal materials.

## About AustLII

AustLII is Australia's most popular free-access online resource for Australasian legal materials, serving the needs of a multitude of users with over 900,000 hits daily.

AustLII was established in 1995 by the Faculties of Law at UTS and UNSW. Since its establishment, AustLII has grown to be a reputable and credible source of legal information with extensive data source agreements in place with Australasian governments, courts, educational institutions and businesses.
